# Planting Time Special

- Plant glads in May and June for blooms in August and
- September, when flowers are scarce.
- Order NOW and get DOUBLE VALUE.

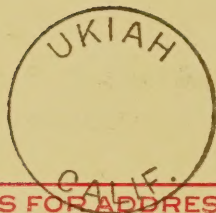

Enclose this card with your retail order of \$3.00 or more. I will match your order with an equal value (my selection). Example → If you send a \$5.00 order I will fill it and add another \$5.00 worth of bulbs.

Order now while I still have stock, because they will soon be planted.
